The 7th International Exhibition of Architecture & The Built Environment

Featuring award-winning architectural designs, exciting showcases, impactful conferences and specialty forums, ArchXpo is a must-visit event for architects, interior designers and professionals in the built industry.

Organised by Conference & Exhibition Management Services, the 7th ArchXpo is one of seven key pillars for the Architecture & Building Services (ABS) Exposition, an annual comprehensive three-day show that brings together only the best of Asia's built environment. ArchXpo is the premier one-stop meeting place for the building industry and a forum for establishing high-quality customer contacts and conducting businesses.

Why Exhibit And Or Sponsor?

Valuable Networking Platform

ArchXpo 2021 is the one-stop networking hub for international exhibitors to connect with quality buyers and establish direct contact, exchange first-hand insights on industry developments and, of course, conduct business dealings. Grasp the opportunity to interact and sell to a dedicated local and regional audience of more than 10,000 trade visitors – including architects, interior designers, facility managers, building owners and property developers.

Stay Abreast On Industry Trends & Developments

Discover the latest trends and developments at CPD- and PDU-accredited Conferences, Seminars and Workshops presented by leading industry experts and thought leaders. In collaboration with relevant industry Associations, Chapters and Partners to conduct conferences and on-site activities, ArchXpo 2021 is a hub for continued professional learning and development.

Launch Pad For New Innovations & Start-ups

Serving as the yearly launch pad for suppliers and start-ups, ArchXpo 2021 connects suppliers with visitors and potential buyers through a strategic mix of multi-channel marketing and business matching services. Exhibitors are welcome to leverage ArchXpo to launch new solutions, technologies and products to trade buyers.

Asia's Most Comprehensive, Longstanding Trade Show

Spread across 10,000-square-meter of space, ArchXpo 2021 is arguably the Asia-Pacific region's most comprehensive, longstanding trade show dedicated to the built environment. Featuring seven synergistic trade shows and 12 high-powered symposiums, the three-day exposition will welcome more than 10,000 professionals from the built environment sector. Seize this opportunity to up-sell your innovations, solutions and or services!

A Key Knowledge Hub For Professionals

Bolstering a wide array of exhibits, each edition of ArchXpo 2021 and ABS features a myriad of impactful conferences catering to each sector of the building industry, drawing in **more than 5,000 quality delegates**.

Leverage this opportunity to stay up to date with industry trends and happenings as an added value to your participation!

Key Event Highlights

ASEAN Young Architects' Forum

Curated by an outstanding and young architect, this premiere ASEAN Young Architects Forum would provide both up-and-coming and young architects' a robust knowledge-sharing session, and is an ideal platform for architects practising in ASEAN countries to meet likeminded individuals, mentors and to share ideas.

UAP Singapore Conference

Presented by the United Architects of the Philippines' Singapore Chapter, this conference promises a full-day worth of roundtable discussions, shared experiences and brilliant ideas. A must-attend for architectural and building professionals looking to meet their industry peers, especially those from The Philippines.

SILA Landscape Architects' Forum

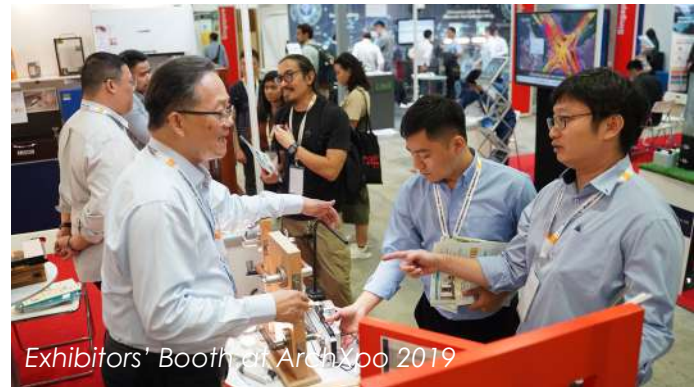

Promising a robust knowledge-sharing session, the forum, presented by the Singapore Institute of Landscape Architects, is an ideal platform for Landscape Architects to meet, exchange ideas and discuss pertinent issues.
